This beautiful, tree studded 2.16 acres is located in desirable Twin Forks. Located a couple of miles east of the popular tourist town of Leakey, you will have access to over 35 acres of common area located along the banks of the crystal, clear Frio River. No need to feel crowded at the river, find your own special spot with deep water, shallow water or tumbling rapids underneath towering Cypress trees! The acreage is exceptional with many large Oaks scattered about, several RV hookups, two sheds on concrete pads for storage, a circular drive and a unique rocked outhouse. There is a meter for central water that is ready to go, electricity and sewer hookup. The acreage fronts two roads, enabling many possibilities when positioning a homesite. Not ready to build yet? You may put an RV on it and leave it there for camping, as long as all utilities are hooked up.

\$400,000.
